Hello all,

Recently we have become aware of an increased demand of Female Condoms. Here at Respect we hoping to put together a cool information resource on female condoms, dependant on how much interest we receive! We would love the input of Queensland Sex Workers (or any workers in Australia) who have had experience using them, or if not and you would like a free sample to try and give us some feedback!

If you have had experience using them:

- How did you find them? Both positive and negative feedback is welcome.
- Any tips on how to make them as enjoyable as possible?
- How did your client find them? Any comments or complaints?

If you would like to trial a free sample, please contact our Brisbane office by phone on 07 3835 1111, email [olivia@respectqld.org.au](mailto:olivia@respectqld.org.au) (with 'Female Condoms' in the subject line) or drop in.

We are also in the process of putting together an *Anti-Stigma Campaign*, in the form of a YouTube clip, blog or poster. We are looking for volunteers in being a part of breaking the stigma on Sex Workers. This can be as public or as *anonymous* as you like, whatever you're most comfortable with!

Or if you are more 'out' about your working life, we are also seeking Sex Workers in Queensland to feature in photos on our website. These will be non-sexual photos and can also be as public or as *anonymous* as you like (removing tattoos, etc.).

If you're interested in being a part of this amazing campaign, featuring on our website or even just curious and wanting some more information on either, please don't hesitate to contact Olivia for a confidential discussion at our Brisbane office on 07 3835 1111 or via email.

Thank you so much for your time and hopefully speak to you soon!
